

As Scientists we will be investigating the different types of living things and exploring their habitats as well as learning about electricity.

As Computing Technicians we will be learning how to programme systems. As well as, we will continue to develop our E-Safety knowledge.

As artists we will be learning about the life and paintings of Vincent Van Gough and painting some of his famous pictures.

As Designers we will be finding out about structures and how we can join them together.

As Geographers we will be comparing island homes.

As Historians we will use a variety of sources to find out about seaside holidays past and present.

In RE we will be developing an understanding of the life of Buddha.

As Musicians we will be listening to, appraising and performing a range of songs and music with Mrs. Curry our music teacher.

Class 2
Summer
Holidays and Homes

Curriculum Drivers

Ambition and Possibilities

We will continue to explore NED further. 'Never give up', 'Encourage others' and 'Do your best' will remain to be of focus this term.

Life-skills and Enterprise

We will continue to extend our knowledge on life skills such as E-Safety as well as planning our own lines of Scientific and Historical enquiry. Also we continue to work on taking on responsibilities in class and around school.

Knowledge and Understanding of the World

We will continue to use links in our local community to aid our learning through visits, local exploration and inviting visitors into school to share their expertise. Through the use of children's news channels we will continue to explore local, national and international news events.
