

As Scientists we will be investigating animals and humans and what they need to be healthy.

As Computing Technicians we will be identifying the different parts of a computer and investigating what each part does to make a computer work.

As artists we will be comparing portrait artists and learning how to sketch.

As Designers we will be investigating different foods and learning how to create a healthy dish.

As Geographers we will be learning about different continents, oceans and countries of the UK.

As Historians we will be researching Christopher Columbus.

In RE we will be developing an understanding of Christianity.

As Musicians we will be listening to, appraising and performing a range of songs and music with Mr Gooding our music teacher.

Class 2

Around the World

Curriculum Drivers

Ambition and Possibilities

We will continue to explore NED further. 'Never give up', 'Encourage others' and 'Do your best' will remain to be of focus this term.

Life-skills and Enterprise

We will continue to extend our knowledge on life skills such as E-Safety as well as planning our own lines of Scientific and Historical enquiry. Also we continue to work on taking on responsibilities in class and around school.

Knowledge and Understanding of the World

We will continue to use links in our local community to aid our learning through visits, local exploration and inviting visitors into school to share their expertise. Through the use of children's news channels we will continue to explore local, national and international news events.
