

As Scientists we will be investigating **Forces and magnets**, looking at contact and distant forces, attraction and repulsion. We will be comparing and grouping materials and also looking at poles, attraction and repulsion.

As Computing Technicians we will be using Scratch to extend our Coding work, in the realms of tombs and mazes.

As Artists we will study hieroglyphics. We will also investigate Egyptian tomb art as part of our continued sketching lessons.

As Designers we will study mechanical systems, gears, pulleys and levers, particularly the way in which the Ancient Egyptians created the Pyramids.

Class 3

Tomb Raiders!

Curriculum Drivers

As Geographers we will be exploring in order to describe and understand key aspects of the physical geography of 'Rivers', namely the River Nile. We will also be studying the 'Water Cycle'.

As Historians we will consider achievements of the Early Civilizations and carry out a study looking at life in Ancient Egypt.

In RE we will be studying Christianity and beliefs about God and Jesus.

As Musicians we will be working with Mrs Curry, our singing teacher on our pitch and tone whilst singing.

Ambition and Possibilities

We will explore NED further and find out about a variety of jobs connected to our topics. We will carry out lots of team building activities throughout the term.

Life-skills and Enterprise

We will plan our own lines of Scientific and Historical enquiry based on our topic. We will begin thinking about our responsibilities within class as well as gaining important life skills such as E-Safety awareness and cookery skills.

Knowledge and Understanding of the World

We will explore local, national and international news events and festivals linked to our topics. We will use links in our local community to aid our learning through visits, local exploration and inviting visitors into school to share their expertise.
