

Writing	Debate issues and formulate well-constructed points.	Design & Technology
Narrative		Design
Write stories set in places pupils have been.		Design purposeful, functional, appealing products for themselves and other users based on design criteria.
Write stories with imaginary settings.		Generate develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology.
Write narrative diaries.		
Non-fiction		Make
Write labels.		Select from and use a range of tools and equipment to perform practical tasks such as cutting, shaping, joining and finishing.
Write lists.		Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics.
Write captions.		
Write instructions.		Evaluate
Write recounts.		Explore and evaluate a range of existing products.
Write glossaries.		Evaluate their ideas and products against design criteria.
Present information.		Technical knowledge
Write non-chronological reports.		Build structures, exploring how they can be made stronger, stiffer and more stable.
Poetry		Geography
Write poems that use pattern, rhyme and description.		Investigate the countries and capitals of the United Kingdom.
Write nonsense and humorous poems and limericks.		Use basic geographical vocabulary to refer to and describe key physical and human features of locations.
		Use simple compass directions.
		Use aerial photographs.
		Use fieldwork and observational skills.
Reading		History
Listen to a range of texts.		Key events in the past that are significant nationally and globally, particularly those that coincide with festivals or other events that are commemorated throughout the year.
Learn some poems by heart.		
Become familiar with a wide range of texts of different lengths.		Music
Discuss books.		Use their voices expressively by singing songs and speaking chants and rhymes.
Build up a repertoire of poems to recite.		Play tuned and untuned instruments musically.
Use the class and school libraries.		Listen with concentration and understanding to a range of high-quality live and recorded music.
Listen to short novels over time.		Make and combine sounds using the inter-related dimensions of music.
Communication		
Engage in meaningful discussions in all areas of the curriculum.		
Listen to and learn a wide range of subject specific vocabulary.		
Through reading identify vocabulary that enriches and enlivens stories.		
Speak to small and larger audiences at frequent intervals.		
Practise and rehearse sentences and stories, gaining feedback on the overall effect and the use of standard English.		
Listen to and tell stories often so as to internalise the structure.		
	Mathematics	
	Count and calculate in a range of practical contexts.	
	Use and apply mathematics in everyday activities and across the curriculum.	
	Repeat key concepts in many different practical ways to secure retention.	
	Explore numbers and place value up to at least 100.	
	Add and subtract using mental and formal written methods in practical contexts.	
	Multiply and divide using mental and formal written methods in practical contexts.	
	Explore the properties of shapes.	
	Use language to describe position, direction and movement.	
	Use and apply in practical contexts a range of measures, including time.	
	Handle data in practical contexts.	
	Science	
	Chemistry	
	Materials	
	Identify, name, describe, classify, compare properties and changes.	
	Look at the practical uses of everyday materials.	
	Working Scientifically	
	Across all year groups scientific knowledge and skills should be learned by working scientifically. (This is documented in the Essentials for progress section.)	
	Art & Design	
	Use experiences and ideas as the inspiration for artwork.	
	Explore a variety of techniques.	
	Computing	
	Understand what algorithms are, how they are implemented as programs on digital devices, and that programs execute by following a sequence of instructions.	
	Organise, store, manipulate and retrieve data in a range of digital formats.	
	Communicate safely and respectfully online, keeping personal information private and recognise common uses of information technology beyond school.	

Personal Development

Discuss and learn techniques to improve in the eight areas of success.

Study role models who have achieved success.

Physical Education

Participate in team games, developing simple tactics for attacking and defending.

Perform dances using simple movement patterns.

Religious Education

Study at least one other religion. Choose from Buddhism, Hinduism, Islam, Judaism or Sikhism.

Study other religions of interest to pupils.
