# HOW TO COMPLETE YOUR CHILD'S APPLICATION

## Section A - Your Child's Details

When you complete the application you **must** give the child's current address at the time of application (see Declaration on page 12.) Please include the postcode so that we can assess your application correctly.

**You must not give the address of child minders or other members of your family who may care for your child.**

If you own more than one property, you should only state the property where you and the child actually live, or spend the most time at during the school year (i.e. Mondays to Fridays, term-time only). We will not consider temporary addresses as being the child's address. This means that if, for example, your child lives temporarily with other family members or moves to temporary accommodation for any reason, the child's address is the one where the child was living before the temporary move took place.

If parents are separated and the child lives for periods of time with each parent, the address used must be the property where the child is mainly resident during the school year i.e. Mondays to Fridays, term time only.

## Section B - The Parent/Carer's Details

Please complete this section. It is very important that all those with parental responsibility agree to this application. If this is not the case you are requested to email [schooladmissions@durham.gov.uk](mailto:schooladmissions@durham.gov.uk) to inform us of the details of the parent who does not agree.

You are asked to complete the form as a parent, legal guardian, Local Authority Foster Carer, Private Foster Carer or Social Worker. The following is a definition of each category:

**Parent** - A person's father or mother.

**Legal Guardian** - A legal guardian is when a person (other than the child's parent or de facto custodian) has legal custody and control over a child. The guardian has the right to make all decisions concerning the child, and is legally responsible for the child.

**Local Authority Foster Carer** – Usually long term but not exclusively – All children and young people in foster care are the responsibility of the Local Authority in the area where the child's birth family is resident at the time of being taken into care. The key responsibility remains with that Local Authority regardless of whether they are placed in local authority foster care or with an independent fostering provider.

**Private Foster Carers** – Usually short term but not exclusively - The parent(s) and/or other person with parental responsibility (PR) retains PR during a private fostering arrangement. They are responsible for any decisions about the child although they may wish to delegate certain responsibilities to the private foster carer, for example giving permission for immunisations and routine health care and agreeing to the child going on a school trip. Even where some powers are delegated, the parent or person with PR retains the final responsibility for the child's care. A private fostering arrangement is essentially one that is made privately (without the involvement of a LA).

**Social Worker** – is a professional concerned with helping individuals, families, groups and communities to enhance their individual and collective well-being.

## Section C - Applying For A Voluntary (Aided) Faith School

You will **only** need to complete Section C if you are applying for your child a place at a voluntary aided (faith) school. If you have included a voluntary aided (faith) school on your child's application we will send your details to that school so that your child's application can be considered, in line with the school's published admission policy and oversubscription criteria. The school will then provide us with a ranked list of applicants. This process will also apply in the case of academies, unless a service level agreement exists for us to undertake this function on their behalf.

We will co-ordinate all the applications to ensure that every child in Durham gets one offer of a school place. We will do this by applying the ranking information in the following way:

- where your child is eligible for a place at only one of the preferred schools/ academies, a place at that school/ academy will be offered to your child.
- where your child is eligible for a place at two or more of the preferred schools/ academies, your child will be offered a place at whichever school/ academy you ranked the highest.

**You can either contact the faith schools directly for their own admission criteria, or alternatively we have published their admission criteria on our website at [www.durham.gov.uk/schooladmissions](http://www.durham.gov.uk/schooladmissions) School admission arrangements 2018/19 and we can offer a hard copy if you do not have internet access, please telephone 03000 265896).**

## Section D – Medical Reasons/Social Reasons

For medical reasons, please see oversubscription criterion ii for community and voluntary controlled infant, junior and primary schools on page 18 and for community secondary schools, foundation schools and academies on page 20.

For medical and social reasons please ensure that you attach supporting evidence from a professional dealing with your case i.e. a Doctor. The evidence must explain why your child requires their placement at a particular school rather than any other school and what difficulties would be caused if they had to attend an alternative school. Reasons such as food allergies and Attention Deficit Hyperactivity Disorder (ADHD) will not be considered as exceptional medical factors as all schools are able to effectively manage these.

## Section E – Late Applications

### Late Application - Infant, Junior And Primary School

Late applications which are received between 15 January 2018 and 6 March 2018 will be considered and, as far as possible, will be offered a school place on 16 April 2018.

Applications received by the closing date take priority over late applications. However, applications which are received for good reason after the closing date because of very exceptional circumstances will be accepted and treated as on time applications provided they are received before 6 March 2018, the date the allocation procedures begin.

If you believe that there are very exceptional circumstances which prevented submission of your child's application form by the stated deadline, you must inform us in writing providing clear evidence so that we can consider why you were unable to submit an application form by the deadline of 15 January 2018.

We will consider each case on an individual basis and the decision will be final. You need to be aware that if it is agreed to consider your child's application as late for very exceptional reasons this does not mean that your child can be offered a place. It simply means that your child's application will be considered in accordance with the admission criteria along with all others which were received on time.

Late applications received on or after 6 March 2018 which are not deemed by us as on-time applications because of very exceptional circumstances will, on 9 May 2018 be offered a place in accordance with parental preference, where possible. If that is not possible, a place will be offered at the nearest school with places available.

For applications received between 10 May 2018 and 31 August 2018 inclusive, offer/refusal letters will be sent out within 14 days of us receiving the application. We will offer a place at the school highest in the parents order of preference that has a place available or, if this is not possible, at the nearest suitable school that has a place available. For those who do not receive a higher preferred school, the waiting lists will continue to operate. See page 22 for information on how waiting lists operate.

## Late Application - Secondary School

Late applications which are received between 31 October 2017 and 26 January 2018 will be considered and, as far as possible, will be offered a school place on 1 March 2018.

Applications received by the closing date take priority over late applications, however, applications which are received for good reason after the closing date because of very exceptional circumstances will be accepted and treated as on time applications provided they are received before 26 January 2018, the date the allocation procedures begin.

If you believe that there are very exceptional circumstances which prevented submission of your child's application form by the stated deadline, then you must inform us in writing providing evidence so that we can consider why you were unable to submit an application form by the deadline of 31 October 2017.

We will consider each case on an individual basis and the decision will be final. You need to be aware that if it is agreed to consider your child's application as late for very exceptional reasons this does not mean that your child can be offered a place. It simply means that your child's application will be considered in accordance with the admission criteria along with all others which were received on time.

Late applications received on or after 26 January 2018 which are not deemed by us as on-time applications because of very exceptional circumstances will, on 22 March 2018 be offered a place in accordance with parental preference, where possible. . If that is not possible, a place will be offered at the nearest school with places available.

For applications received between 23 March 2018 and 31 August 2018 inclusive, offer/refusal letters will be sent out within 14 days of us receiving the application. We will offer a place at the school highest in the parents order of preference that has a place available or, if this is not possible, at the nearest suitable school that has a place available. For those who do not receive a higher preferred school, the waiting lists will continue to operate. See page 22 for information on how waiting lists operate.

**If your application form is received late your chances of being offered a place at one of your preferred schools will be greatly reduced.**

## Section F – Preferences

**Please list THREE schools/academies in your child's application and reason for your preference (optional).**

**Please put the schools/academies in preference order i.e. your first preference at number 1.**

**Choosing only one school/academy or repeating the name of the school/academy two or three times will not improve your chances of being offered a place at your first preference.** If you only choose one school and your child's application for your preferred school is not successful, we will offer your child a place at another school that may be further away from your home address.

## Sibling Link

Please remember to enter all sibling link(s) your child will have at the school (please see oversubscription criteria iii on pages 19 and 20 for the definition of “sibling”).

## Equal Preference

We will treat your first, second and third preferences as separate applications and work out if your child qualifies for a place. If your child qualifies for more than one school or academy you have listed, we will offer a place in your preference order. If you cannot be offered one of your preferences you will be offered a place at the nearest suitable school or academy with places available.

The definition of a 'suitable school/academy' for our admissions purposes is a maintained school/academy that offers an efficient, full-time education suited to the age, ability, aptitude and any special educational needs of the child.

If you would like more information about our schools, please contact them directly. Details are at the back of this Guide.

Places are allocated by strictly applying the admission criteria for the school(s). The oversubscription criteria (used to rank applicants) for all community and voluntary controlled schools are on pages 18 to 21.

To request the oversubscription criteria for voluntary aided (faith) schools/academies please see [www.durham.gov.uk/schooladmissions](http://www.durham.gov.uk/schooladmissions) - School admission arrangements 2018/19 or contact the establishment directly. All other academies except New Seaham Academy, have the same oversubscription criteria as community and voluntary controlled schools.

## Checking Your Address Details And Signing The Declaration

**DECLARATION - When submitting an application online or a written application for a school place for your child you are required to sign a declaration which states that you:**

- have read, understood and agree to abide by the conditions as set out in the primary and secondary schools admission brochure at [www.durham.gov.uk/schooladmissions](http://www.durham.gov.uk/schooladmissions)
- confirm that you have parental responsibility for the child (or have care and control of the child), and in seeking to apply for your child a school place, you have no knowledge of any opposition to this application from any other person who has parental responsibility for the child. (If applicable, you will inform us of the individual who opposes the transfer and supply their contact details by email to [schooladmissions@durham.gov.uk](mailto:schooladmissions@durham.gov.uk)).
- will inform us immediately either by email to [schooladmissions@durham.gov.uk](mailto:schooladmissions@durham.gov.uk) or in writing to let us know of any change of address details after the submission of your child's application.

- understand that your child's school place can be withdrawn even if he/she has started at the school if the place was fraudulently obtained.
- hereby agree and consent to us checking the details you have provided on this application against Council Tax, Electoral Registration and other Council records to confirm that the child is resident at the address in Section A.
- agree and consent to us sharing your data with other agencies, where it is necessary to do so and where the law allows, in accordance with the Data Protection Act 1998 (see Privacy Notice at [www.durham.gov.uk/schooladmissions](http://www.durham.gov.uk/schooladmissions))
- understand that if you have provided information that is incorrect or incomplete, you may be investigated and action may be taken against you (including court action).

## Privacy Notice - Data Protection Act 1998

We are committed to dealing with your information safely and securely. We need to collect and share information in order to deliver our services effectively. We take our responsibility to protect your information seriously and we will use it in accordance with the legal requirements of the Data Protection Act 1998. We are a data controller for the purposes of the Data Protection Act. The information you provide to us on your admissions application form and in any supporting documents will be used to process your application and to ensure the efficient co-ordination and fair allocation of school places.

We may also share this data for the following purposes:

- to enable the forward planning of school budgets;
- to assist in the development of Policy proposals;
- to assist with the provision of school transport;
- for the prevention and/or detection of crime.

We may use the information you have provided for research and statistical purposes. We will ensure that statistics are developed in such a way that individual children cannot be identified from them.

## What If I Move Address?

You must notify the School Places and Admissions Team in writing or via email at [schooladmissions@durham.gov.uk](mailto:schooladmissions@durham.gov.uk) immediately as this may affect the offer of a place made to your child.

You should also notify us in writing of any change in your circumstances which would affect the offer of a place, including a change in your school preference, or if you intend to move out of County Durham, or if you intend to place your child at an independent school. If you do intend to apply for a place for your child at an independent school you should apply directly to the independent school concerned.

## Returning Your Child's Application Form:

**PLEASE DO NOT RETURN YOUR FORM TO THE SCHOOL.  
SCHOOLS ARE NOT ALLOWED TO SEND YOUR CHILD'S  
APPLICATION FORM TO US.**

We strongly advise you to return your child's application form via the Post Office by "Royal Mail Signed for™" or "Royal Mail Special Delivery Guaranteed" **as it is your responsibility to ensure we receive your child's application.** The Post Office will give you a receipt. The number on the receipt is a tracking number and you will be able to check online or via your mobile to see when your child's application has been delivered to us at <http://www.royalmail.com/personal/uk-delivery/signed-2nd-class> as the delivery must be signed for; this is your confirmation that we have received your child's application.

**Please keep your receipt because if your child's application form does not arrive in our office for any reason we will need to see your receipt as proof of postage prior to the deadline.** If you are unable to provide your receipt, your child's application would be treated as a late application. Please see pages 10 and 11 for information on late applications. **If you decide to hand deliver your child's application to County Hall or another Local Authority establishment you should request a receipt which will be dated by a member of staff on Reception, you must keep this receipt as proof of delivery.** If you are unable to provide your receipt, your child's application would be treated as a late application

## Offering A School Place

We will identify the offer of a place for community and voluntary controlled schools as the admissions authority for these schools. If more children want a place than there are places available, we will offer places according to the admissions policy and oversubscription criteria. See pages 18 to 21.

## Withdrawing An Offer Of A School Place

We will not withdraw an offer unless

- the place has been offered in error; or
- it is established that the offer was obtained through a fraudulent or intentionally misleading information on the application.

Where the parent has not responded to the offer, we will give the parent a further opportunity to respond and explain that the offer may be withdrawn if they do not.

## Applying For A School Place In Another Local Authority (this includes applying for a place during the school year).

We will liaise with other LAs if applications are received for a place in another LA's school/academy. You can also apply for a place outside of the County Durham area. **If you do this online you will need to select the drop down box to choose the Local Authority first before choosing the school/academy.**

If you live in County Durham but are applying for an **in-year place** for your child in another LA area you must make an application to the LA in which the school is located.

If you want to know more about schools in other LA areas you will need to contact the relevant LA for advice.

## Admission Of Children Below Compulsory School Age And Admission Of Children Outside Their Normal Age Group

### Delaying Entry Into Primary School

A child reaches compulsory school age on the prescribed day following their fifth birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

Children born in the summer term, 1 April to 31 August, are not required to start school until a full school year after the point at which they could first have been admitted – the point at which other children in their age range are beginning Year 1. While most parents are happy for their child to start school in the September following their fourth birthday, some parents will have concerns about whether their child will be ready for school at this point, and will consider delaying their entry until compulsory school age. Before deciding to delay a child's entry to school, we would recommend that parents visit the schools for which they are thinking of applying. The teachers will be able to explain the provision on offer to children in the Reception class, how it is tailored to meet the needs of the youngest children and how the needs of these children will continue to be met as they move up through the school. They may also be able to allay any concerns parents may have about their child's readiness for school.

### Admission Of Children Outside Their Normal Age Group (Deferred Entry)

If you believe your child should be educated in a different year group, you must at the time of application submit information in support of the request demonstrating how it is in the interests of the child to be admitted outside of their normal age group. Where a parent wants their child to be admitted out of their normal age group, we have two separate decisions to make:

- we must first decide on the age group the child should be admitted to, and
- only once that decision has been made can we apply our oversubscription criteria to decide whether a place can be offered in that age group.

The process we and other admission authorities in the area have put in place:

- requires the parent to make an application for their child's **normal age group** at the usual time, but enables them to submit a request for admission out of the normal age group at the same time
- ensures that the parent receives the response to their request before primary school places are offered.

Where a parent's request is agreed, they must make a new application as part of the main admissions round the following year. If the request is refused, the parent must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to Year 1 for the September following the child's fifth birthday.

Please note that one admission authority cannot be required to honour a decision made by another admission authority on admission out of the normal age group. Parents therefore, should consider whether to request admission out of the usual year group at all their preference schools, rather than just their first preference schools.

Where a child has been educated out of their normal age group, the parent may again request admission out of the normal age group when they transfer to junior or secondary school. It will be for the admission authority of that school to decide whether to admit the child out of their normal age group. We will make a decision on the basis of the circumstances of each case and in the child's best interests, and will bear in mind the age group the child has been educated in up to that point.

Children are assessed when they reach the end of each key stage, not when they reach a particular age. There are no age requirements as to when children must take their GCSEs or other assessments.

## Reserving Places

Places cannot be reserved in schools/ academies in the expectation of further applications from families moving into the area.

## In-Year Fair Access

We have in place an In-Year Fair Access Protocol to ensure that access to education is secured quickly for children who have no school place. Admission of children under the In-Year Fair Access Protocol will take precedence over children on a waiting list who are attending another school.

Children covered by this protocol are any who are hard to place in a school and the protocol balances the circumstances of the child and the circumstances of the school. All schools in an area admit their fair share of children with challenging behaviour. For more information contact us on 03000 265896.

## Children Of UK Service Personnel

For families of service personnel with a confirmed posting to the County Durham area, or crown servants returning from overseas to live in County Durham, we will allocate a place in advance of the family arriving in the area, provided the application is accompanied by an official letter that declares a relocation date and a Unit Postal Address or Quartering Area Address when considering the application against our oversubscription criteria. This will include accepting a Unit Postal Address or Quartering Area Address for a service child. We will not refuse a service child a place because the family does not currently live in the area, but cannot reserve blocks of places for these children.

In respect of applications received for children of UK service personnel for admission outside the normal admissions round (in-year applications), these children may be admitted under exceptional circumstances to a school that would otherwise breach Infant Class Size legislation, **but only if the child would have been allocated a place at the school during the normal admissions round had the family been posted in the area at that time.** We will need to consider the number of in-year applications made in respect of children of UK service personnel before making a final decision. Please note that this does not apply to these families who leave the UK service personnel and relocate to an address in County Durham.

## Department For Education

We are also required by law to pass information to the Department for Education. If you need more information about how the Department for Education stores and uses your information please go to the following website:

If you require any further information about the school admissions data that we hold or how we share it please contact the School Places and Admissions Team on 03000 265896.

## WHAT HAPPENS IF MY CHILD'S PREFERRED SCHOOL(S) HAVE TOO MANY APPLICATIONS FOR THE PLACES AVAILABLE?

If a school/academy has too many applications for the places available they are known as an oversubscribed school.

**Oversubscription Criteria For Community And Voluntary Controlled Infant, Junior And Primary Schools And Academies (But Not New Seaham Academy – Please see [www.durham.gov.uk/schooladmissions](http://www.durham.gov.uk/schooladmissions) or contact The School For This Information)**

**i. Children who are 'looked after' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order\*.**

A “looked after” child is a child who is, at the time of making an application to a school, (a) in the care of a LA, or (b) being provided with accommodation by a LA in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

\* An adoption order is an order under Section 12 of the Adoption Act 1976 or Section 46 of the Adoption and Children Act 2002. A “child arrangements order” is an order settling the arrangements to be made as to the person with whom the child is to live under Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

**ii. Medical reasons**  
**Children with very exceptional medical factors directly related to school placement.**

Some admission authorities will consider individual applications for children with very exceptional medical factors directly related to school placement. This type of application must be supported in writing by relevant professional agencies i.e. a doctor and it is the parents' responsibility to provide the relevant documentation. This supporting evidence should be wholly persuasive and set out the particular reasons why your child requires their placement at a particular school rather than any other school and the difficulties that would be caused if they had to attend another school. Reasons such as food allergies and Attention Deficit Hyperactivity Disorder (ADHD) will not be considered as exceptional medical factors as all schools are able to effectively manage these. Supporting evidence will be considered by the relevant admission authority and may require liaison with relevant health care professionals. The provision of any information/evidence does not necessarily in itself guarantee the offer of a place at your desired school. The relevant admission authority will make the final decision on the application.

### iii. Sibling links

Children who have a sibling\*\* already attending the school and who is expected to be on roll at the school at the time of admission.

\*\* Sibling is defined as children who live as brother or sister in the same house, including natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, step brothers or sisters and children of the parent/carer's partner. Some schools give priority to siblings of children attending another community and voluntary controlled school with which they have close links (for example, schools on the same site). These are called linked schools. Where this is the case, this is indicated in the "individual school information" at the back of this Guide.

Please indicate when applying if there is either:

- a sibling currently attending the school for which you have applied, or
- a sibling who will be attending the linked school.

The linked schools are:

1. Consett Infant and Consett Junior
2. South Stanley Infant and South Stanley Junior.
3. Cockton Hill Infant and Cockton Hill Junior
4. Acre Rigg Infant and Acre Rigg Academy
5. Cotsford Infant and Cotsford Junior

### iv. Distance

Children who live nearest the preferred school/academy measured by the shortest walking route (See home to school transport on page 25).

This will be based on the child's address.

**Oversubscription Criteria For Community Secondary Schools, Foundation Schools And Academies (For Faith Academies And The UTC) Please Contact The Schools For This Information or look on [www.durham.gov.uk/schooladmissions](http://www.durham.gov.uk/schooladmissions) - School admission arrangements 2018/19.**

Where there are more requests for places than those available, the following oversubscription criteria will be used to allocate places strictly in order of priority:

**i. Children who are 'looked after' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order\*.**

A “looked after” child is a child who is, at the time of making an application to a school, (a) in the care of a LA, or (b) being provided with accommodation by a LA in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

\* An adoption order is an order under Section 12 of the Adoption Act 1976 or Section 46 of the Adoption and Children Act 2002. A “child arrangements order” is an order settling the arrangements to be made as to the person with whom the child is to live under Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

**iii. Sibling links  
Children who have a sibling\*\* already attending the school and who is expected to be on roll at the school at the time of admission.**

\*\* Sibling is defined as children who live as brother or sister in the same house, including natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, step brothers or sisters and children of the parent/carer's partner. Parents should indicate when applying if there is a sibling currently attending the school for which they have applied.

**iv. Applicants to their nearest school  
Those children who have applied for a place at the nearest school to their home address measured by the shortest walking route. (See home to school transport on page 25).**

## v. All other applicants

### Tie Breaker

Where the schools are oversubscribed within any of the above categories the following tiebreakers will be applied:

- a) For those children who have applied for a place at the nearest school to their home address (criterion iv), priority will be given to those who would otherwise have to travel the furthest distance to the next nearest school/academy.
- b) For other children (criterion v), priority will be given to those children who live nearest to the school applied for.
- c) In the unlikely event of the school being oversubscribed within criterion (i), (ii) or (iii), priority will be given to those children who live nearest to the school applied for.

Please note that if only one final place can be offered and two applicants live equidistant from the school our system of random allocation will apply.

## TRANSFERRING SCHOOLS DURING THE SCHOOL YEAR

You may need to transfer your child from one school to another during the school year. This may be due to a house move or another reason.

A child can only transfer to another school/academy if places are available.

We advise parents/carers not to withdraw their child from one school/academy before admission to another has been agreed. It is expected that your child will continue to attend their current school/academy during the transfer process.

**Both parents must agree to the transfer regardless of who the child lives with.**

### Primary and Secondary Age Children

Please contact The School Places and Admissions Team on 03000 265896 to discuss the transfer of your child(ren) to another school.

If there are no places available at your preferred school, please see information on waiting lists on page 22.

# YOUR CHILD HAS NOT BEEN OFFERED YOUR FIRST PREFERENCE SCHOOL – WHAT TO DO NEXT.

## Waiting List

If you have not been offered your highest preference school you can add your child's name to the waiting list at a community or voluntary controlled school or academy. To add your child's name to the waiting list at a voluntary aided (faith) school/academy please contact the relevant school.

Your child's name will be removed from the waiting list at the end of the school year i.e. July 2019.

**If you wish your child's name to remain on a waiting list you should inform us by email at [schooladmissions@durham.gov.uk](mailto:schooladmissions@durham.gov.uk) or in writing to School Places and Admissions Team, Children and Young People's Services, County Hall, Durham DH1 5UJ between 1 - 30 June 2019.**

You should be prepared to take up a place as soon as it is offered and specifically within two weeks of the offer of a place.

If you move house whilst your child's name is on the waiting list you must let us know in writing immediately. We can then place your child in the correct position on the waiting list and will contact you if a place becomes available to which your child is entitled. Proof of address will be required.

All offers of a school place from any waiting list will be made by us.

## Appealing For A School Place

If we are not able to offer one of your preferred schools please contact one of the Appeal Officers on 03000 265896 to discuss the appeals process.

**Reason for your appeal.** Before deciding whether to appeal, you may want to consider:

- Contacting us on 03000 265896 to be advised of alternative schools with places available;
- A visit to alternative schools / academies that still have places available;
- The admission policy for admitting children to your preferred school;
- Your reasons for wanting your child to attend your preferred school; and
- How strong a case you have.

If you still wish to appeal you will need to ensure that your appeal is heard with applicants for the same school by the end of the summer term therefore you will need to submit your appeal by

**Primary 17 May 2018**

**Secondary 12 April 2018**

Appeals not submitted by this date will still be heard, however this will be at a later date. Please note that there may already have been successful appeals which makes it more difficult for your appeal to be successful.

You can appeal for more than one school/academy in order of priority. You may want to attend an appeal for more than one school/academy. The outcome of one does not affect the other and accepting a place at an alternative school does not affect the outcome of your appeal.

You can only appeal once per academic year for admission of your child to a particular year group.

We will only offer a second appeal for the same academic year where we accept there has been a significant and material change in the circumstances of the parent or child, such as a change of address.

Your appeal will be heard within the following timescales:

- For applications made in the normal admissions round, appeals will be heard within 40 school days of the deadline for lodging appeals;
- For late applications, appeals should be heard within 40 school days from the deadline for lodging appeals, where possible, or within 30 school days of the appeal being lodged.

For information on transferring schools during the school year (in year) applications see page 21 and appealing for a school place during the school year see page 23.

Please note that if your appeal is successful and it is not your nearest suitable school/academy, you will be responsible for transporting your child to school (see page 25 Home to School Transport).

### Appealing For A Place At A Voluntary (Aided) Faith School

You will need to contact the school directly for their admission appeal process and appeal forms.

### Appealing For A Place At Shotton Hall Academy

You will need to contact the school directly for their admission appeal process and appeal forms.

### Infant Class Size Legislation

By law, infant classes must not have more than 30 children.

**By law an appeal can only be successful if one or more of the following circumstances apply:**

- If we have made an error and not offered places in line with this Guide.
- If we have acted unreasonably\* by not offering you a place at an alternative school.

**Unreasonableness** (an objective test defined by the Courts as a decision that no Local Authority in the country would have made, in all the circumstances of the case, and/or beyond the range of response open to a reasonable Local Authority making the decision).

You are advised to email the School Places and Admissions Team on [schooladmissions@durham.gov.uk](mailto:schooladmissions@durham.gov.uk) or call 03000 265896 if you are considering appealing for a place at a school as the appeal officers will be able to explain in more detail about the law relating to infant class sizes.

### Appealing For A School Place (Primary And Secondary) During The School Year

If we are not able to offer a place at the school you wish to transfer to, please contact one of the Appeal Officers on 03000 265896 to discuss the appeals process. If you do decide to appeal after considering the reasons for appeal on page 22, your appeal will be heard within 30 school days of the appeal being lodged.

## CHILDREN WITH SPECIAL EDUCATIONAL NEEDS (SEN) AND (OR) DISABILITIES

Nearly all children and young people with SEN and (or) disabilities in County Durham can be successfully included in mainstream education but there may be times in their school life that some children will need additional help with their learning. This can normally be provided within their own school, in partnership with the child, young person, parents or carers and with the involvement of other agencies as appropriate.

However if your child has a severe learning difficulty following an assessment which will take account of the views of the child and parent as well as seeking advice from the child's teacher and other specialists where necessary, we may decide to issue a SEN Support Plan or an Education, Health and Care Plan. Both of these plans will include outcomes that we all want to achieve and provide details of the support needed. Children, young people and their parents or carers will be involved in making decisions about the support needed to meet the agreed outcomes within a plan.

Parents who want further information regarding their child's difficulties should contact the school SENCO or the Head Teacher in the first instance.

### Applying For A School Place If Your Child Has An Education, Health And Care Plan (EHC Plan)

Children and young people with an Education, Health and Care Plan follow a separate transfer process to a new school. Please contact our SEN team on 03000 265878.

# HOME TO SCHOOL TRANSPORT

In September 2018, free school transport will be provided as follows:

## 1) General Policy

To qualify for free home to school transport, children of compulsory school age are required to attend the nearest suitable school, where the home to school distance (based on the child's address) using the shortest route is over 2 miles for children up to the age of 8 years. At the start of the academic year, after the child's 8<sup>th</sup> birthday, a reassessment will take place as children 8 years and over will only qualify for transport assistance if the shortest route is over 3 miles.

## 2) National Extended Rights Policy

If your child does not qualify for transport under (1) a national policy provides extended rights to children who are eligible for free school meals or whose parents receive their maximum level of Working Tax Credit (WTC) i.e. reduction to the income must be £0.00 on your award notice. This policy provides transport for:

**Primary Children** – age 8 but under 11 years, transport will be provided to the nearest suitable school where that school is more than 2 miles from the child's home.

**Secondary Children** – transport to one of the 3 nearest suitable qualifying secondary schools where the school is more than 2 but less than 6 miles from the child's home **OR** transport to the nearest suitable secondary school preferred because of your religion or belief for children whose parent(s) adhere\* to that particular faith, where that school is more than 2 but less than 15 miles from the child's home. \*Parental adherence is defined as to the Roman Catholic faith where at least one parent and the child are baptised Roman Catholic or to the Anglican faith where at least one parent is a confirmed Anglican and the child is baptised Anglican. If you are applying for transport to a Roman Catholic or Anglican Secondary School you will need to provide the following:

- Roman Catholic Baptismal Certificates. If these are not available please attach a letter from your Parish Priest confirming that at least one parent and the child are Baptised Roman Catholic.
- Anglican Confirmation and Baptismal Certificates. If these are not available please attach a letter from your Vicar confirming that at least one parent is a confirmed Anglican and the child is Baptised Anglican.

## Unsuitable Routes

We **may** have a duty to provide free travel where the walking route has been assessed as unsuitable by us. The Courts have determined that a route is available if a child/young person, accompanied as necessary, can walk along it with reasonable safety. We have an agreed policy on the criteria to be used when assessing whether a route is suitable and will apply this policy in all circumstances. If a route can be made suitable, or if an alternative suitable walking route can be identified and transport had been provided, this will then be removed.

## How We Measure Home To School For Transport Purposes

A Geographic Information System (GIS) is used to identify and measure the shortest route. The GIS **only** identifies routes on the Ordnance Survey Integrated Transport Network (ITN) and Urban Paths Network (UPN), which are national recognised datasets.

**The LA will not include any other routes or use other methods of measurement.**

In all cases the GIS identifies the route to be measured by connecting in a straight line the centre point\* of the child's house or in the case of a flat from the centre point\* of the building, to the closest point on the nearest route on the ITN/UPN to the nearest school site entrance.

The GIS identifies all routes and undertakes ALL measures in exactly the same way for every child. The LA uses the same system for all children to identify or measure a route. This is to provide consistency and fairness for ALL children.

\* In accordance with the co-ordinates of the Basic Land and Property Unit on the National Land and Property Gazetteer.

## Concessionary Travel

If your child is not eligible for free travel you may be able to apply for a concessionary seat.

Where there are spare places on school transport they may be an opportunity to buy a seat for your child.

The charge for a concessionary seat provided by the council is £1.52 per day which may be paid in instalments (however some schools have their own schemes and you should contact the school for further details). For further information on concessionary travel please contact the Integrated Passenger Transport Team, telephone 03000 264444 (option 3) or email [IPTContractsTeam@durham.gov.uk](mailto:IPTContractsTeam@durham.gov.uk)

**You are strongly advised to visit our website for up to date information on the provision of any home to school transport or contact the School Places and Admissions Team (Transport Entitlement) on 03000 265896.**

**For full details of the policy and general principles applying to free travel please see our website [www.durham.gov.uk/schooltransport](http://www.durham.gov.uk/schooltransport)**

## Exceptional Circumstances

It may be that you believe your child should be considered for transport due to exceptional circumstances. If you are applying on the basis of exceptional circumstances, please email [schooltransportteam@durham.gov.uk](mailto:schooltransportteam@durham.gov.uk)

## Travel Assistance For Children With SEN And (Or) Disabilities

Free travel is generally made available to enable children and young people with a Statement of Special Educational Needs or an Education, Health and Care Plan to attend the nearest suitable primary or secondary school and where the home to school distance is over 2 miles for children up to the age of 8 years. At the start of the academic year, after the child's 8<sup>th</sup> birthday, a reassessment will take place as children 8 years and over will only qualify for transport assistance if the shortest route is over 3 miles.

If parents decide to send their child to another school then they will be responsible for the cost of transporting their child to that school.

## Personal Budgets

The parent/carer of a child with an Education, Health and Care Plan, or the young person if he or she is between the ages of 16 and 25 years, can request a personal budget for some or all of the provision. In making a decision whether to award a personal budget, we would have to be satisfied that:

- Any different arrangements would meet the needs of the child/young person; and
- No additional costs would be incurred by us.

**It is important to note if you wish to be awarded a personal budget that the responsibility of employing a taxi company, driver and passenger assistant will be that of the parents.**

# Individual school/academy information

The following lists contain useful information about our schools/academies in County Durham. Every school/academy also publishes its own booklet of information. Parents interested in obtaining copies should contact the schools/academies, and/or visit their websites.

Schools/academies also hold open days/evenings in order to give parents more information. You should contact the school/academy for more details.

<b>Age Range</b>	<b>(N)</b> Indicates a school which has a nursery unit.
<b>PAN 2018/19 (Published Admission Number):</b>	For community and voluntary controlled schools, the PAN is set by Durham LA, in consultation with the school. It represents the maximum number of children likely to be admitted to the Reception Class (or Year 3 in the case of junior schools) or Year 7 in secondary schools during the academic year 2018/2019. For voluntary aided (faith) schools, the Governing Body is the admission authority and for academies it is the relevant Academy Trust and these set the PAN.

- All foundation schools and non-faith academies have the same admission policy and oversubscription criteria as those for community and voluntary controlled secondary schools.
- If you are considering applying for a place in a voluntary aided (faith) school/academy, please either contact the school directly or alternatively we have published their particular admission oversubscription criteria on our website at [www.durham.gov.uk/schooladmissions](http://www.durham.gov.uk/schooladmissions) - School admission arrangements 2018/19 (a hard copy is available if you do not have internet access, please telephone 03000 265896).
