

Class Homework

All homework can now be found online.

Each week homework tasks will be set using the Class Dojo app. Some tasks may be accessed through Class Dojo whilst others may need your child to log onto Purple Mash or Mathletics but all tasks will be outlined on your child's Class Dojo page.

www.purplemash.com

Purple Mash and Mathletics tasks are automatically sent to me to mark and tasks completed using Class Dojo can be submitted for marking too, even images and videos!

Weekly Spellings: Each week your child's spellings will be posted in Class Dojo and they will also have an online quiz to complete on Purple Mash. Spelling Tests take place every Friday.

Home reading: We are not currently sending individual reading books home. Your child does have a book in school and will individually to a member of staff. Home reading can be accessed at Oxford Reading Buddy where children can select books at their appropriate level to read and complete quizzes and comprehension tasks.
