

Laurel Avenue Community Primary School Events

As a result of the delay to the lifting of restrictions, announced on Monday, the governors have carried out a risk assessment and decided that although summer events will go ahead for children in their own bubbles, we will not be able to invite parents or carers to attend these events. We will add photographs to Facebook so that you can still share in with the fun in a small way. Thank you for your understanding with this.

Please make sure that your child comes to school in their PE kit and brings a water bottle for all sporting activities.
