

As Scientists we will be exploring different kinds of plants and use our scientific knowledge to discover the best conditions for growth and their lifecycle.

As Computing Technicians, we will be learning how to program systems as well as developing our awareness of cyberbullying.

As Musicians we will be singing, listening to and appraising different songs as well as continuing to develop our understanding of percussion.

As Artists we will be discovering collage using different types of materials.

As Designers we will design, make and evaluate solid structures linked to our topic.

Class 2
Summer
Castles and Cathedrals

Curriculum Drivers

As Geographers we will develop our mapping skills and learn about different cities such as Newcastle, Edinburgh and London.

As Historians we will use our skills of historical enquiry to find out about our local area, finding out about the castle and cathedral.

In RE we will be exploring Christianity and learning about the life of St Cuthbert and his links to Durham.

Ambition and Possibilities

We will continue to explore NED further. 'Never give up', 'Encourage others' and 'Do your best' will remain to be of focus this term.

Life-skills and Enterprise

We will continue to extend our knowledge on life skills such as E-Safety. Also, we continue to work on taking on responsibilities in class and around school.

Knowledge and Understanding of the World

We will continue to use our links in the community to aid our learning through visits, and local exploration. Through the use of children's news channels, we will explore current news events across our local community and the world.
