

As Scientists we will be investigating evolution and inheritance and learning about systems in the body.

As Computing Technicians we will be developing virtual worlds and create our own games using Kodu. We will develop citation skills for our research and add to our online safety understanding through looking at photo alterations and body image. We will develop the use of video and sound skills through videos of Ancient Greece.

As artists we will be looking at the themes of 'The Power of Love' and 'The Art of the Anatomy'.

As Designers we explore the use of Artificial Intelligence in the worlds of design technology.

Class 4 Groovy Greeks

Curriculum Drivers

As Geographers we will develop an understanding of ocean currents.

As Historians we will use a variety of sources to study Ancient Greece and identify the legacy it has created in the world today. We will also explore the life and legacy of 'Alexander the Great', examining his role in the expansion of the Greek Empire.

In RE we will be explore what we know about Christianity.

Ambition and Possibilities

We will explore NED further and look at a variety of jobs connected to our topics.

Life-skills and Enterprise

We will plan our own lines of scientific, geographical and historical enquiry and use knowledge to re-create historical features.

Knowledge and Understanding of the World

We will explore local, national and international news events and festivals linked to our RE topic.
