

*As Scientists we will be studying animals and humans, looking at nutrition, the digestive and skeleton systems, as well as investigating teeth and how to care for them.*

*As Computing Technicians We will build our word processing and presentation skills throughout our topic work. As well as our continued focus on online-safety issues.*

*As Artists we will focus on our sketching skills around the theme of 'Myths and Legends'. We will study artist such as Botticelli, who have been inspired by myths & legends.*

*As Designers we will investigate the use of electrical circuits.*

*As Geographers we will be studying Europe. Particularly looking at the continent, its countries & population*

*As Historians we will be studying the invasion of the Vikings. Looking at sailors & raiders, kingdoms & conquests.*

*In RE we will be thinking about How & why do people show care for others?*

*As Musicians we will be listening to, appraising a range of songs using Charanga music service.*

**Class 3**

# **Invaders**

## **Curriculum Drivers**

### **Ambition and Possibilities**

*'Never give up', 'Encourage others' and 'Do your best' will remain to be of focus this term.*

### **Life-skills and Enterprise**

*We will plan our own lines of Scientific, Geographical and Historical enquiry, focusing on areas of interest. We will also look at the themes of relationships and change as we head towards the transition into new year groups.*

### **Knowledge and Understanding of the World**

*We will continue to use links in our local community to aid our learning through visits, local exploration and inviting visitors into school to share their expertise.*
