

*As Scientists we will be investigating different types of living things and their habitats.*

*As Computing Technicians, we will be learning how to program systems as well as developing our awareness of cyberbullying.*

*As Musicians we will be singing, listening to and appraising different songs as well as continuing to develop our understanding of percussion.*

*As Artists we will be painting and learning about Vincent van Gogh.*

*As Designers we will be finding out about wheel and axel mechanisms.*

*As Geographers we will be investigating climate and learning about Australia.*

*As Historians we will be learning about and comparing events in history such as; the steam engine, the first flight and space travel. We will also be learning about Neil Armstrong.*

*In RE we will be developing an understanding of the life of Buddha.*

## **Class 2 Summer Travel**

### **Curriculum Drivers**

#### **Ambition and Possibilities**

*We will continue to explore NED further. 'Never give up', 'Encourage others' and 'Do your best' will remain to be of focus this term.*

#### **Life-skills and Enterprise**

*We will continue to extend our knowledge on life skills such as E-Safety. Also, we continue to work on taking on responsibilities in class and around school.*

#### **Knowledge and Understanding of the World**

*We will continue to use our links in the community to aid our learning through visits, and local exploration. Through the use of children's news channels, we will explore current news events across our local community and the world.*
