

**Writing****Narrative**

Write stories set in places pupils have been.

Write stories with imaginary settings.

Write stories and plays that use the language of fairy tales and traditional tales.

Write narrative diaries.

**Non-fiction**

Write labels.

Write lists.

Write captions.

Write instructions.

Write recounts.

Write glossaries.

Present information.

Write non-chronological reports.

**Poetry**

Write nonsense and humorous poems and limericks.

**Reading**

Listen to traditional tales.

Listen to a range of texts.

Become familiar with a wide range of texts of different lengths.

Discuss books.

Build up a repertoire of poems to recite.

Use the class and school libraries.

Listen to short novels over time.

**Communication**

Engage in meaningful discussions in all areas of the curriculum.

Listen to and learn a wide range of subject specific vocabulary.

Through reading identify vocabulary that enriches and enlivens stories.

Speak to small and larger audiences at frequent intervals.

Practise and rehearse sentences and stories, gaining feedback on the overall effect and the use of standard English.

Listen to and tell stories often so as to internalise the structure.

Debate issues and formulate well-constructed points.

**Mathematics**

Count and calculate in a range of practical contexts.

Use and apply mathematics in everyday activities and across the curriculum.

Repeat key concepts in many different practical ways to secure retention.

Explore numbers and place value up to at least 100.

Add and subtract using mental and formal written methods in practical contexts.

Multiply and divide using mental and formal written methods in practical contexts.

Explore the properties of shapes.

Use language to describe position, direction and movement.

Use and apply in practical contexts a range of measures, including time.

Handle data in practical contexts.

**Science****Biology****Plants**

Identify, classify and describe their basic structure.

**All living things**

Investigate differences.

**Working Scientifically**

Across all year groups scientific knowledge and skills should be learned by working scientifically. (This is documented in the Essentials for progress section.)

**Art & Design**

Use experiences and ideas as the inspiration for artwork.

Share ideas using drawing, painting and sculpture.

Explore a variety of techniques.

Learn about the work of a range of artists, artisans and designers.

**Computing**

Organise, store, manipulate and retrieve data in a range of digital formats.

Communicate safely and respectfully online, keeping personal information private and recognise common uses of information technology beyond school.

**Design & Technology****Design**

Design purposeful, functional, appealing products for themselves and other users based on design criteria.

Generate develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology.

**Make**

Select from and use a range of tools and equipment to perform practical tasks such as cutting, shaping, joining and finishing.

Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics.

**Evaluate**

Explore and evaluate a range of existing products.

Evaluate their ideas and products against design criteria.

**Technical knowledge**

Build structures, exploring how they can be made stronger, stiffer and more stable.

**Geography**

Investigate the countries and capitals of the United Kingdom.

Compare and contrast a small area of the United Kingdom with that of a non-European country.

Use basic geographical vocabulary to refer to and describe key physical and human features of locations.

Use simple compass directions.

Use aerial photographs.

Use fieldwork and observational skills.

**History**

Significant historical events, people and places in their own locality.

**Music**

Use their voices expressively by singing songs and speaking chants and rhymes.

Play tuned and untuned instruments musically.

Listen with concentration and understanding to a range of high-quality live and recorded music.

Make and combine sounds using the inter-related dimensions of music.

---

Personal Development

Discuss and learn techniques to improve in the eight areas of success.

---

Study role models who have achieved success.

---

Physical Education

Participate in team games, developing simple tactics for attacking and defending.

---

Religious Education

Study the main stories of Christianity.

---
